MULTI CRUISER

MULTI CRUISER is an interchangeable and interlocking modular storage system that's versatile, customisable and makes transporting of tools and equipment easy. MULTI CRUISER is constructed from rugged impact resistant material to withstand harsh environments and designed to provide users extra flexibility and tool protection. MULTI CRUISER offers a growing range of inner trays, cases, and accessories to support a wide range of configurations to suit your storage transportation requirements.

IP65 Water & Dust Protection

Durable construction designed to protect contents against harsh elements

Heavy-duty Large Latch System

Creates a water tight seal against dust, soil, water and rain

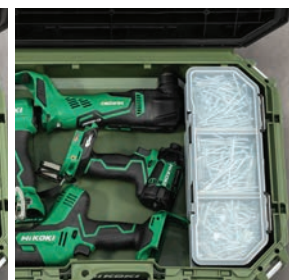

Quick Secure Stacking Latches

Easily stack and secure multiple storage cases for easy transportation

Organiser Trays

Easily organise larger accessories with Organiser Trays

Organiser Cases

Easily organise small items such as screws, drill and driver bits

Optional Multi Cruiser Accessories

Accessorise your Multi Cruiser Storage to maximise versatility
